MAJOR DISTURBANCES WITHIN THE JAIL

Medical/Mental Health Disturbances

Throughout the course of 2017, the Steuben County Jail staff was tasked with responding to jail medical issues that resulted in inmates being transported to the local hospital and/or out-of-county hospitals. In summary, these medical incidents included heart/chest problems, respiratory

issues, sutures, inmate pregnancies, surgeries, diabetic issues and general illnesses that needed immediate emergency treatment beyond the parameters of the jail medical department. **There were a total of fifteen (15) medical incidents that required an inmate to be transported to the local hospital**, there were twenty-two (22) inmate transports to local doctor offices for follow-up or specialized appointments.

Security Disturbances

In addition to medical disturbances, the Steuben County Jail staff experienced various security disturbances caused by inmates. These security threats called for both routine and “emergency” extensive cell searches. The staff conducted thirty-two (32) extensive cell searches of the jail cell blocks in 2017, compared to eighty-six (86) conducted in 2016 and seventy-four (74) being conducted in 2015.

ESCAPES/ATTEMPTED ESCAPES

There were no escapes or attempted escapes from the jail in 2017.

IN-CUSTODY DEATHS

There were zero (0) in-custody deaths occurring in 2017.

JUVENILE WAIVER/DIRECT FILE STATISTICS

AVAILABILITY OF SERVICES WITHIN THE JAIL

See attached report.

JAIL STAFFING LEVELS

There were five (5) replacement full-time Confinement Officers hired in 2017. All but four (4) officers hired in 2017 have attended and successfully completed the forty (40) hour Indiana Law Enforcement Academy (ILEA) Certified Jail Officer School, in accordance with IC 11-12-4-4. According to the revised Indiana Jail Standards, all county jails are required to send full-time AND part-time jail officers through the ILEA Certified Jail Officer School.

Over time/Part-time Coverage

In 2017, there were **3272 hours of overtime** worked by full-time officers. Overtime coverage become necessary to coverage shift vacancies caused by vacations, sick days, FMLA, training days, court loads, visitation schedules and other events that challenge the minimum staffing

levels. The jail staffing level continues to remain one (1) position less than that of 2011 and earlier years due to a Confinement Officer position being eliminated from the 2012 budget.

Jail Officer Training

The Indiana Jail Standards require certified Jail Officers to receive sixteen (16) hours of annual training and Jail Commanders to receive twenty-four (24) hours of training each year. The Indiana Sheriff's Association implemented an Advanced Jail Officer Training (AJOT) series of training events across the State of Indiana to assist Sheriff Offices in meeting this requirement. The Steuben County Jail had 4 officers, supervisors attended 2 different AJOT sessions. The advanced training sessions provide supervision/leadership skills, information regarding medical/mental health issues, risk management, the skills involved with managing inmate behaviors and updates on case law relevant to jail operations.

Previous Transport Statistics

The 2017 statistics can be compared to the 2013 thru 2017 statistics listed below. The displayed decrease of total transport mileage and man hours for transports during the 2017 year can be credited to an array of factors: multiple inmates picked up on same transport for court proceedings; transports conducted to and from facilities at a closer distance to Steuben County; inmates not being returned for eligibility interviews for Community Corrections; and other factors.

The County did have an increase in transports for juveniles due to the closing of a juvenile center that performed a majority of these transports for the county.

2013 Transport Statistics

- ❖ Adult Transports = 296 for 51,545 miles and 942 man-hours
- ❖ Juvenile Transports = 26 for 6,040 miles and 106 man-hours

PROGRAMS AND SERVICES

Jail Ministry Volunteers

The Steuben County Jail Ministry Volunteers are coordinated by the Jail Commander. The volunteers are scheduled to provide Bible Study, church services and individual religious support throughout the week and weekend. Visiting clergy are also provided opportunities to visit with members of their congregation during allotted times during the week. Volunteers are required to apply for clearance to volunteer in the jail through an application and background check process. These volunteers are required to follow written guidelines focusing on the safety/security of jail operations, the court system and providing services in a correction setting.

High School Equivalency (HSE) Program

Formerly known as the GED Program, the HSE has been adopted by the State of Indiana to take place of the former GED Exam. The Steuben County United Way and the Steuben County Literacy Coalition continue to partner with the Steuben County Jail to provide preparatory instruction to inmates wanting to take and pass the HSE Exam. With the transition from GED to HSE, the program continued to prepare inmates in the academic fields needed in order to be prepared to successfully pass the exam when it became available. The Impact Institute provides the test administrator for the exam to be given at the Steuben County Jail.

0 INMATES PASSED THE HSE EXAM DURING 2017

UNFUNDED NEEDS AND PROJECTS

Other maintenance/improvement projects in progress from 2017 to 2018 include:

- ❖ The addition of a new phone provider that would include video visitation and kiosks centers for inmate money transactions
- ❖ Updating the cameras in the dayrooms of cell blocks to improve visibility of inmate activities
- ❖ Staffing Analysis

All of which will improve the overall safety, security and efficiency of the facility
